

Dear MERGE,

On behalf of the David A. Pyle family, we are presenting you with the enclosed VISA gift card in the amount of \$1,000. The impact of the COVID-19 virus is significant and increasingly widespread. We are well aware that this pandemic is changing daily life for you and your family as it is ours.

You are a valued member of our community family. By way of this grant, we are introducing you to our family foundation, "OneRoot". The OneRoot Foundation is grounded in the pride, strength and the legacy of the Family Tree. United as one, the OneRoot Foundation is a philanthropy established in education and fortified in the calling of service and support. Our hope is that you and your family can utilize this grant for whatever needs are most important to you. We are in this together and TOGETHER we will prevail.

On a personal note, I had the good fortune to grow up in Newport Beach for 60 plus years. I can remember as a child when the "Cannery" was indeed a Cannery. I took my first official date to the Corona Del Mar H.S. Prom for dinner to the Cannery where I used a credit card for the first time. My mother Marilee Pyle requested the Cannery to celebrate her 85<sup>th</sup> birthday with her four Grandchildren. This would be her last meal dining out before she passed. I still remember her smile on that day and how happy she was to be at one of her favorite restaurants. Ron Salisbury and family have been feeding and connecting people in our community for decades. We are happy to support the Associates of "El Cholo" and "Louie's by the Bay" as part of the Salisbury Family Group of restaurants. I know your patrons miss you and the social connection they feel every time they walk into your establishment. My family is proud to honor your legacy of service and connection by making this grant in these challenging and uncertain times.

We wish you, your family and friends the best in health as we sacrifice together to "Bend the Curve" for Humanity. I look forward to the day when your loyal patrons can once again enjoy the "Salisbury Restaurant Group Experience" just as my family has enjoyed through the decades.

Sincerely,

The Pyle Family
